Re: Water Rights Transfer

Dear Mr. Forestier:

I have completed the application for water rights transfer (72-7247) as part of the land purchase agreement.

Enclosed are the following items:

- Original Application, Check and Letter Transmittal
- Copy of the above items for your files
- Federal Express Mail Package

I have marked the areas of the application with a tab where you will need to complete the question and includes:

- Page 3 of 6 – Part 2 question 2 – you will have to provide evidence of land ownership – check the appropriate box and attached a copy of the information requested behind Attachment A of the application.
- Page 6 of 6 – Part 3 – you will have to sign the application and have your signature notarized

Once you have completed those items, please place the original application, check and transmittal letter to Allen Merritt into the Federal Express package. You can simply drop this off at any Federal Express office or drop box. The overnight delivery fee will be charged to Earthworks directly.

If you have any questions, please contact me at 208-769-5924. I look forward to working with you on this matter.

Sincerely,

Eric Klepfer
Vice President
Operations and Technical Services
