Department of Water Resources
Eastern Region

Dear Mr. Grover:

I received your letter of August 23, 1999, about the Vance Hawley transfer meeting. You stated that the parties seem willing to allow the transfer to remain pending until the Sage Willow case is settled.

At this point our office is willing to allow an interim approval for Mr. Hawley to continue his current farming practices until that time that the decision on the Sage Willow issue is resolved.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Harold W. Jones'.
Harold W. Jones
Water Right Supervisor
