RE: Application for Transfer No.: 5441

Dear Applicant:

Enclosed please find copies of the protests filed against the above referenced application for transfer of a water right. You should be aware that the following are the items we can consider at a conference and/or hearing in either approving or denying an application for transfer:

1) Are other water rights injured by the transfer?
2) Does the change constitute enlargement in the use of the original water right?
3) Is the change consistent with the conservation of water resources within the state of Idaho?
4) Does the change conflict with the local public interest?

The applicant must be prepared to present evidence and/or testimony addressing each of the four items should an additional hearing be necessary. You will be notified at a later date as to the time and place set for conference and/or hearing.

If we may be of further assistance, please contact us.

Respectfully submitted,

Harold W. Jones
