RE: Application for transfer #5441 - Hawley

Dear Norman:

I received your letter of September 20, 1999, asking for clarification of my phrase, "interim approval", used in my August 26th letter to Blair Grover.

Indeed there is no implication of approval for transfer application #5441. Rather, the interim approval relates to a temporary hold on our original cease and desist order issued in 1998.

At this point the department is not pursuing an enforcement action until the Sagewillow case is heard.

Sincerely,

Harold W. Jones
Water Right Supervisor
