RE: Application for **Transfer No. 70497 and 70499**

Dear Applicants:

The Department of Water Resources acknowledges receipt of your applications. Please refer to the number in all correspondence regarding the above referenced applications.

This office has scheduled advertising the applications in the **South Idaho Press** on **6/26 & 7/3/03**. The advertisement will be published for two weeks, and a period of ten calendar days following the second publication will be allowed for the submittal of protests. **(July 14, 2003)**

If an application is protested, the applicant will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

State Office personnel will conduct a complete review prior to final processing of the application(s) and will notify the applicant regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
