MEMORANDUM

TO: FILE 74-00760

FROM: PAM SKAGGS/²⁸STATE OFFICE

SUBJECT: TRANSFER 5110

DATE: October 23, 1997

=====

Transfer 5110 is one of three transfers filed concurrently to consolidate Lemhi River diversions into a single new point of diversion, designated L-3. This transfer changes the point of diversion under Right 74-00760 and splits the right into Parts A and B by ownership as already updated on the SRBA database.

Season of use and diversion volume were adjusted to current standards. Recommended conditions include measuring device & watermaster control, irrigation overlap, right-of-way, combined right limits and standard transfer conditions.
