RE: App for Permit 72-16624

Dear Mr. James;

Per our conversation, I have made several corrections to your application. Besides removing the proposed commercial use, I shortened the development time to two years with the idea that the retreat is nearly completed. If this is not enough time, just change the application as needed (up to 5 years maximum); date and initial any changes.

We also need a letter from the BLM agreeing to your proposed use of their property, and the letter should contain a notarized signature from a BLM official. A copy of your lease agreement is not sufficient in this regard.

Once we receive the signed, corrected application, and the BLM letter, the application will be scheduled for advertising.

Regards,

James E. Stanton  
Sr. Water Resource Agent
