RE: Your Letter of 7-21-03 RE App For Permit 72-16624

Dear Mrs Rowles;

We have received your letter protesting this application. The required protest fee of \$25 was not included, however, so your letter cannot be considered a formal protest. I will place the letter in the application file for consideration by our administration in Boise. The application has not yet been scheduled for advertising, but I expect this to occur shortly. If you submit the required fee, your letter can be considered as a formal protest; you can also submit the Notice of Protest form enclosed. We need to receive any protests by the 10th day after the last advertising; this will be listed in the advertising notice when it appears in the Challis Messenger.

Regards,

James E. Stanton
Sr. Water Resource Agent

P. S. You need to send a copy of any protest to Mr. James, but your letter did not indicate that this has been done.
