RE: App For Transfer 70288

Dear Brent;

While reviewing your transfer prior to advertising, I found a typographical error in the description of the northernmost well. It was recommended in the SRBA as being in the SW/NE/NW Sec. 32, but it is clearly on the east edge of the property and a little more than half way down into the 40. Vikie Hancock agreed with my determination of the actual legal description of the well, so I have corrected the transfer to show this well in the SE/NE/NW Sec. 32. If you think that this is not correct, please contact me at your earliest convenience.

Regards,

James E. Stanton
Sr. Water Resource Agent
