**Re: Application for Transfer of Water Right No. 37-12205 -
Roy R. Woods
Our File No.: 960493**

Dear Jim:

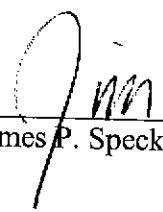

Enclosed you will find the original and one copy of a revised Application for Transfer of Water Right for Water Right No. 37-12205 owned by Mr. Roy R. Woods. The revised Application seeks merely to correct the point of diversion from that identified in the SRBA Partial Decree. It does not add a second well as an additional point of diversion pursuant to our discussions. I have also included a copy of the Special Power of Attorney by which Mr. Woods has granted me the power to, among other things, sign this Application for Transfer of Water Right as his attorney-in-fact.

My records indicate you retained the filing fee for this Transfer Application, so I am not sending an additional check. Please have your office receipt date stamp the copy of this revised Application for Transfer of Water Right and return it to me in the postage prepaid, self addressed envelope included for that purpose.

Thank you for your continuing cooperation and assistance on these matters.

Sincerely yours,
