RE: Application for **Transfer No. 70489**, Water Right Nos. 36-2907, 36-7157A, 36-8760

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your Application for Transfer. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared for publication in the **Gooding County Leader** on 6/5 & 6/12/03. Submittal of protests to the application will be allowed for a period ending ten days after the second publication. (**June 23, 2003**)

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
