IT APPEARS THAT MOST OF THE WATER IS PUT IN A SETTLING POND AND RETURNS TO THE GENERAL AQUIFER.

Re: Statement

Sirs:

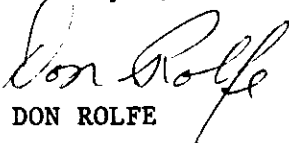

My name is Don Rolfe, I was employed by Monroc, Inc. between the years of January 1, 1950 and December 31, 1992.

During the years involved (Ready to Pour - I.E. Monroc) used a 25 HP pump, a 6" line, to pump approximately 1.5 to 2 cfs for the business of washing aggregate and batch plant water.

All excess water and wash water was pumped into a settling pond and returned to water table.

If you need any additional information, please feel free to contact me.

Thank you,

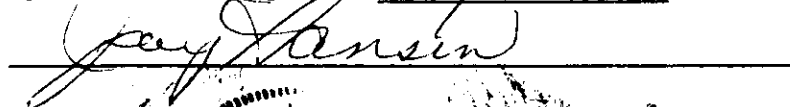

DON ROLFE

RE: Application for Transfer of a Water Right No. 4175

Dear Water Right Applicant:

The Department of Water Resources acknowledges receipt of your permit for a water right transfer. This office is currently in the process of advertising the application in the Post Register on July 1 & 8, 1993. The advertisement will be published for two consecutive weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State Office Personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. Re: Monroc

Gentlemen:

We are enclosing with this letter two applications for permit and three claims to a water right, together with our client's check in the amount of \$180.00 for the various filing fees. When you have had an opportunity to review these items if there are any problems, please advise us.

We do request that you communicate on this matter directly with our law firm, rather than directly with our client, so that the matter does not become confused as it often does when department personnel elect to communicate directly with the client rather than with the attorney.

Thank you for your kind consideration in this matter.

Yours very truly,

Kent W. Foster
