Dear Mr. Allen:

We received your correspondence of April 3, 1990, along with Mr. Cantlin's licensing amendment and check in the amount of \$20.00. In a review of our file, we find that Mr. Cantlin's water right has already been licensed without the amendment. Enclosed you will find a copy of Water Right License No. 73-7053. Please note that the license is issued as shown on the licensing amendment which we are returning to you.

A \$20.00 refund will be sent to Mr. Cantlin under separate cover from the State Auditor's Office. We will send that refund to your attention so that you can see that Mr. Cantlin receives it.

We are sorry for all the confusion in regard to the licensing of this right. We erred in sending the licensing amendment to Mr. Cantlin as it was not needed to finalize this right. If you have any questions in regard to this matter, please feel free to contact our office.
