Dear Mr. Furey:

I have received the 3 claims to a water right your office submitted on behalf of Mr. Ray Hamilton, and identified a discrepancy on one of the claims which requires attention. To expedite this correction we are returning the original claims and Check No. 92-297/490 for \$90.00.

The claim in question is for 2.4 cfs with a priority date of July 15, 1898. In item #6 of this claim, 34 acres are listed in the SE $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 7 while the plat map shows this acreage to be in the SE $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 7. It appears the plat map is correct and item #6 should be changed.

With this claim corrected, please return it along with the other 2 claims and the check for \$90.00. Please except our apologies for not identifying this problem when the claims were returned initially.

Also enclosed you will find 6 new claim forms for your office records.

Respectfully submitted,

Ernest Carlsen
