Dear Mr. Brockway:

The Department of Water Resources acknowledges receipt of the applications filed on behalf of Harry Rinker, Rinker Company as referenced above. Please refer to these numbers in all correspondence regarding the above referenced applications.

This office has scheduled advertising the applications in the Wood River Journal on 9/11 & 9/18/02. The advertisement will be published for two weeks, and a period of ten calendar days following the second publication will be allowed for the submittal of protests. (September 30, 2002)

If an application is protested, the applicant will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

In addition, please provide a list of the names, titles and addresses of all partners and designation of the managing partner, if any. (Rule 035.03.b, i). This information must be received prior to completion of the Regional Review and Recommendation.

State Office personnel will conduct a complete review prior to final processing of the application(s) and will notify the applicant regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
