Dear Cindy:

According to the provisions of the agreement signed October 25, 1984, applications limited to certain beneficial uses are eligible for dismissal from Ada County Civil Case 81375.

Based on our understanding of the definition "consumptive domestic" and "non-consumptive commercial, municipal, and industrial", we have identified applications that appear to comply with the criteria essential for dismissal. A profile of each application is enclosed for your consideration.

We are proceeding with the publication of notices advising these applications have been filed, but will continue to withhold other administrative action pending notification from your office that an application has been released.

Respectfully submitted,

ERNEST CARLSEN
Assistant Regional Supervisor
