Gentlemen:

Re: (See attached lists of water right numbers)

I acknowledge receipt of the statement of beneficial use postcards for the water rights listed on the attached pages.

Before a license can be issued, a field examination must be made by a representative of this department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our Eastern Regional office.

Sincerely,

RITA I. FLECK
Sr. Secretary
