Enclosed is the "Statement of Beneficial Use" postcard received in this office on July 22, 1982 for a right identified as 27-7008.

This particular right is in the name of J. R. Terteling & Sons. It is already licensed and the use is for road maintenance. Is this the right you wanted to submit the postcard on? If so, it is not necessary.

I have researched our records and came up with two rights for your Company. Following is a brief description of each:

Permit No. 27-7125
Use: domestic use and industrial plant
Source: groundwater
Amount: 0.04 CFS

Permit No. 27-7137
Use: Mining
Source: Angus Creek
Amount: 10 AF

These however, do not exactly identify with the postcard. Do you have others? Please check your records again and provide us with more accurate information.

If I can be of further assistance, please contact me at this office.
