Dear Mr. Foster:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell during which part of the irrigation season this examination will be made, but our examiner will try to contact you at the time he makes the exam so that you may show him the system.

We note that in reviewing this proof affidavit, you indicate that you have not installed a measuring device as required by the conditions of approval of your permit. This measuring device must be installed by the time our examiner makes the exam or your water rights cannot be confirmed by the issuance of a license. We are enclosing a list of the types of measuring devices approved by this office.

If you have any questions regarding this matter, please contact our Eastern Region Office in Idaho Falls.
