Gentlemen:

One of the conditions of approval of your water Permit No. 27-7021 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 1, 1977. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Re: Application No. 27-7021 - Caribou County Commissioners

Caribou County Sun
Box 815
Soda Springs, ID 86276

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for our review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Norman C. Young
District Engineer

Dear Mr. Ellis:

Your application for water permit has been forwarded to this office for processing. Before we can accept the application, the following items need further clarification:

1. In Item 6a, please indicate the proposed diverting works (well, pump, distribution system, etc.)
2. In Item 5, please indicate the number of camp sites proposed in this application.
3. For .20 c.f.s. there is a \$10 filing fee. Please make your check (if used) payable to the Idaho Department of Water Administration.

If you will make the above listed additions to your application and return it to this office with the filing fee, we will be most happy to process your application.

If you have any questions, please do not hesitate to contact this office.

Very truly yours,

NORMAN C. YOUNG
District Engineer
