The diagram is drawn on a grid of graph paper. It features a horizontal line with a central point marked by a circled 'X'. Above this central point, the text 'TIN R37E' is written. To the left of the central point, the number '35' is written. To the right of the central point, the number '36' is written. Above the central point, there are four 'x' marks arranged in a small cluster. Below the central point, there is a legend: a circled 'X' followed by '= Point of Diversion & Use' and an 'x' followed by '= Points of Use'.

RE: Claim No. 27-4113

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

RONALD D. CARLSON
