Re: Application for Permit

Walter Hamilton
Route #3
Blackfoot, Idaho

Dear Mr. Hamilton:

Returned herewith is your application for permit with attached check for \$6.00.

Under 4 you do not show the location of the well.

The land list under 12 and your map do not agree. The acres shown for the lots in Sec. 22, are not according to the U. S. Land Office Records.

I have shown in ink the location of Snake River and Blackfoot River from a map in this office. The south line of Snake River has been corrected in pencil to agree with the latest map in the U. S. Land Office. The pencil line north of Blackfoot River shows the location of the north bank at the time of the original land survey, which is the boundary of Lots 6 and 7. Lot 8 was added since the original survey.

Kindly show, by cross hatching, the land you are to irrigate and the location of the well. The land total for Section 22 you show appears to be large for the land in Lot 1, Sec. 22 and south and east of Snake River and north of Blackfoot River.

The fee for 150 miner's inches is \$5.50.

Kindly return the corrected application with proper filing fee for processing.

Very truly yours,
