Dear Mr. Dredge:

Our department is prepared to issue your water license on the above-referenced permit. However, due to the fact that your application is for livestock watering as well as domestic purposes, we need to determine the number and kind of livestock you have and how long this livestock is kept each year. As soon as you supply us with this information, we will continue to process your permit.

If you should have any questions, please feel free to contact me.

Dear Mr. Dredge:

We have received the depositions and affidavit of publication submitted in connection with proof of the above referenced permit.

However, before they are acceptable, we will need an affidavit from the notary, Rollin W. Thomas, stating why the depositions were taken on December 4, 1967, and February 21, 1968, and not on the advertised date of November 1, 1967.

The affidavit must state whether or not Mr. Thomas' office was open on November 1, 1967, and whether or not any protests to the permit were offered or received.

Please submit the affidavit promptly.

Dear Mr. Dredge:

Proof of completion of works and application of water to beneficial use for the above referenced permit is due not later than November 23, 1967.

Under the terms of your permit, it is required that a notice be published once a week for four consecutive weeks in a local newspaper showing your intent to submit proof. The proof will consist of depositions which the permit holder and two disinterested witnesses must complete before the listed notary public, and must be accompanied by an affidavit of publication of the legal notice.

We have prepared the enclosed notice from the information on your permit. The complete name and address of a notary public of the State of Idaho must be entered together with a date for you to appear before the notary. Allow at least 40 days from the date the notice is mailed to this department for your appearance before the notary.

If you find any discrepancy in the notice or have made any changes, please advise this department and we will assist you in doing whatever may be necessary to assure correct publication.

If the enclosed notice is correct, complete the blank spaces and sign the form authorizing us to publish the notice at your expense and return all forms. At the time we send the notice to the newspaper, you will be supplied with further instructions.

If you do not desire to complete the proofs and obtain a license of water right, you are requested to complete the relinquishment portion of this form below and return it to the Department of Reclamation.
