Water License No. 3157

WHEREAS, On the 19th day of September, A.D.1907, OLIVER J. BACKMAN of Soda Springs, County of Bannock and State of Idaho, duly made application (No.4399) to me for a permit to use 1.5 cubic feet per second of the waters of Backman Springs, County of Bannock, State of Idaho, for irrigation and domestic purposes; and,

WHEREAS, On the 5th day of October, A.D.1907, Permit No. 3157, was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 5th day of April, A.D.1908, and for the application to beneficial use of said water on or before the 5th day of April, A.D.1908, and

WHEREAS, On the 9th day of April, A.D.1908, the holder of said permit duly made proof of the completion of adequate works for the diversion of 1.5 cubic feet per second of said waters, as evidenced by my Certificate No. 3157, dated April 13, 1908, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use 1.5 cubic feet per second of water, with date of priority of September 19, 1907, and,

WHEREAS, On the 9th day of April, A.D.1908, proof was duly made of the application to beneficial use of 1.1 cubic feet per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to OLIVER J. BACKMAN of Soda Springs, Idaho, the holder and owner of said Permit No. 3157, a perpetual right, dating from September 19, 1907, to the use of 1.1 cubic feet per second of the waters of Backman Springs, in the County of Bannock, and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point in Northwest quarter of Southeast quarter (NW4 SE4) Section 30, Township 8 South, Range 44 E.B.M. and conducted to and upon (10 acres in Northwest quarter of Southeast quarter; 25 acres in Northeast quarter of Southwest quarter; 20 acres in Northwest quarter of Southwest quarter, Section 32, Township 8 S., Range 44 E.B.M. for the purpose of irrigation and domestic use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS My hand and the seal of my office at Boise, Idaho, this 13th day of April, A.D. Nineteen Hundred and eight.

Jas. Stephenson, Jr.

State Engineer.
