Dear Sirs:

Inregards to my permit on my well, it has been used for watering livestock as well as for domestic use. however at present I am installing a new pipe line to my house and also putting in anew hydrant for stock watering. But due to the bad weather I haven't been able to complete it, with the weather permitting I will have it completed within the next few days.

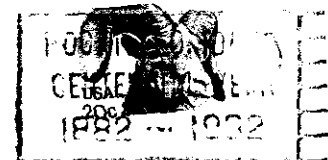

This is the reason I haven't sent this card in before I hope this will meet the specifications in my permit I don't want to loose it. If there are any Questions concerning this please contact me.
