Dear Mr. Judy:

On June 29, 1983 the Department of Water Resources received your claim to a water right filed in accordance with Section 42-242 of the Idaho Code requiring all beneficial use water rights be recorded with the state. This claim was reviewed by our staff and subsequently returned on October 21, 1983 with a cover letter outlining the modifications you needed to make for the claim to be in form to process.

The fee at the time you submitted your claim was \$30.00. However, starting July 1, 1983 the statutory fee for filing a claim was substantially increased to \$100.00.

Since your claim was originally received when the lower fee was in effect, we will accept your claim at that rate provided it has been corrected and returned no later than December 21, 1983. A returned claim postmarked later than December 21, 1983 will be assessed the current filing fee of \$100.00.

Staff at our office will be glad to answer questions or assist you in properly completing the claim form.

Respectfully submitted,

ERNEST CARLSEN

Dear Mr. Judy:

Enclosed is a work copy of your claim to a water right and a new claim typed in this office.

I corrected the errors that were made originally on this new claim but line 6A and the map need the correct place of use listed. When this has been done you can sign and have the claim notarized and resubmit it to this office.

Please give me a call if there are any questions.
