I, J. Henry Payne, certify that the well near the house on the farm described as the ^{SW}~~SE~~^{1/4} of Section 4, 2 No. Range 38 E.B.M. was dug in the spring of the year 1905. I was born and raised on this farm and was 4 years old at the time but I remember the well drilling. The water was pumped by hand for many years, then a gasoline engine was installed and at present a submersible pump is used. Use of this well has been continuous since 1905 for domestic water and for stock water since winter water has been shut off in irrigation ditches.
