Dear Sir:

I have enclosed your two claims to a water right and your Check No. 92-40/1094 for \$60.00. In reviewing the claim with a priority date of July, 1957, I find that the declared point of diversion on line 5 is not consistent with your map on the back. Line 5 indicates the point of diversion is in the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ while the map shows the point of diversion as the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$.

I have also enclosed a new claim form so a corrected claim can be made out. When this new claim has been completed, please return both claims along with your check for \$60.00 and we will begin processing it.

Please contact us if you have any questions.

Sincerely,

Harold W. Jones
