MICROFILMED

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that INDEPENDENT IRRIGATION COMPANY
(Name of Claimant)
c/o Ronald Shippen, Box 75, Menan, Idaho (Mailing Address) Telephone No. 754-4157
(Zip Code)

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

(1) Date of priority: (When was the water first applied to a beneficial use) JUNE 1, 1884

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

(2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)
SCOTT SLOUGH tributary to _____

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

1. Under C. S., sec. 6655, persons with decreed rights in waters of river and interested in having flow maintained are entitled to intervene in action to enjoin interference with diversion from stream flowing into river.

2. On motion for nonsuit, defendant for that purpose is deemed to have admitted all facts on which there is evidence and which evidence tends to prove and every legitimate inference therefrom.

3. On motion for nonsuit, evidence must be interpreted most strongly against defendant.

4. Evidence held to establish that waters had been diverted and applied to beneficial use for approximately forty years without any interference or adverse claim.

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,
