RE: Amending Claims 23-4047 and 23-4048.

Dear Mr. Johnson:

Following your recent visit to our office it was noticed that
some of the information on the original claims had been changed
by you, probably at the conference that was held concerning Royal
Micklesen's application for permit on Hinck's Springs. But to
record a change on information submitted on an original claim it
is necessary to file an Amended Claim form, therefore, we have
taken the liberty of preparing two Amended Claim forms. For
comparison and to insure the Amended Claims are correct, we also
enclosed a copy of the original Claims as they are now on file
with the Department.

In reviewing Amended Claim 23-4048, you will notice the priority
has been reduced to April 22, 1976 for the domestic use of
groundwater in three homes. For a Claim to be acceptable on a
groundwater source it must have a priority earlier than March 25,
1963 if it's for domestic purposes and more than one home. To be
acceptable with a priority date of April 22, 1976, Amended Claim
23-4048 is limited to domestic use in a single family household.
A water right for the two remaining homes would have to be
obtained by filing an application for permit through this
Department.

When you have confirmed that Amended Claim 23-4047 correctly reflects the changes you made on the original Claim, sign the amended form in the presence of a notary and return it to this office. After changing Amended Claim 23-4048 it should also be signed in the presence of a notary and returned to this office. There is no fee associated with these Amended Claims.

If you have any questions concerning Amended Claim 23-4048 feel free to contact me.
