Dear Water Right Claimant(s):

Attached to this letter are copies of ***Orders Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc*** (hereinafter "***Orders***") for water right numbers 34-289, 34-2273, 34-2492 and 34-10088. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of these water rights. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

The purpose of the ***Orders*** is to set forth beginning and ending dates for the irrigation period of use for these water rights. As stated in the face of the ***Orders***, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). These ***Orders*** also incorporate into the ***Partial Decrees*** an express statement that the ***Partial Decrees*** are subject to such general provisions necessary for the definition or for the efficient administration of the water rights. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). These ***Orders***, in combination with the ***Partial Decrees*** that were issued for these water rights on December 10, 1997 and January 21, 1998, set forth all of the elements of your water rights. The Snake River Basin Adjudication (SRBA) Court suggests that you keep these documents in a safe location together with copies of the ***Partial Decrees*** to show evidence of these water rights. The original of these ***Orders*** and the original of the ***Partial Decrees*** for these water rights are on file with SRBA Court. If you do not have copies of the original ***Partial Decrees***, they can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the ***Orders*** are entered ***Nunc Pro Tunc***, meaning that the ***Orders*** will be treated as if they were issued on the same date that the ***Partial Decrees*** were originally issued.

Sincerely,

Diana Delaney

No objections were filed to this *Supplemental Director's Report*

THEREFORE, IT IS ORDERED that the period of use element for the irrigation portion of the above-captioned water right is hereby amended and decreed as:

PERIOD OF USE: 05-01 to 10-15

The period of use for irrigation described above may be extended in seasons of unusual characteristics to a beginning date of 04-20 and an ending date of 10-31 at the discretion of the Director of the Idaho Department of Water Resources.

IT IS FURTHER ORDERED that the ***Partial Decree*** for the above-captioned water right is hereby amended and decreed to contain the following:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the court a point in time no later than the entry of a final unified decree. I.C. section 42-1412(6).

This order is being entered *nunc pro tunc* as of the date the ***Partial Decree*** was issued and is not intended to modify subsequent administrative changes for the water right, if any, which occurred following entry of the ***Partial Decree***.
