SUBJECT App 63-8960

- This app was received in the region the same day that I sent a memo to regional employees advising of our policy for consumptive uses (new apps) in the upper Boise R. Drainage.

- If the mining & milling is essentially non-consumptive (which, it probably is) we could approve that use & Dom. from 11-1 to 6-1 each year.

- Please advise me in this matter.
