Dear Mr. Henrickson:

Re: Permit No. 63-11116
Licensed Right No. 63-8279

Returned is the proof of beneficial use form received in this office on May 29, 1991. Along with the form is a copy of Permit No. 63-11116 and License No. 63-8279 and an instruction sheet/fee schedule.

Note, the proof due notice was sent for Permit No. 63-11116. You indicated that proof was for No. 63-8279, which is a licensed right and already has a proof submittal in 1981.

We need to address the proof of beneficial use submittal for the permit.

— Under 5, the number of acres irrigated can be a maximum of 71 (as covered by this permit).

— Under item 6, the maximum rate of diversion is 1.42 as authorized by the permit. This amount is approximately 639 gpm. In addition to this, there is a license exam fee required.

— The fee is based on the rate of diversion. Note the instruction sheet/fee schedule; for the diversion rate of 1.42 cfs, the license exam fee is \$125.

Please return the corrected proof form and fee by July 1, 1991 to keep the permit in good standing.

If you have any questions, contact me.
