Dear Mr. Beavers:

When you filed your application for permit in 1974 a \$10 filing fee was charged. However, at that time you filed on a point of diversion and place of use in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 3, Twp. 5N, Rge. 11E, B.M.

When our field examiner conducted the field exam on your property he found both the point of diversion and place of use to be within the SW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 3, Twp. 5N, Rge. 11E, B.M. Therefore, in order to issue a license the permit must be changed to correspond with the findings of the field examiner. In order to change the permit, an application for amendment must be completed by the permit holder and the \$20 filing fee submitted. The filing fee was raised to \$20 by the Legislature in July, 1978.

If we do not receive the completed amendment and filing fee by the September 17, 1979, date this permit will be cancelled and the water right lost. There is now a mandatory claims filing program in which all water rights in the state must be filed on before 1983. However, if a right is already filed on and completed it is not necessary to refile. If this permit is cancelled then you will have lost your early priority date and will have to file a claim form or lose your water right entirely. There is also a filing fee for the claim.

If you have any questions, please contact us.

Dear Mr. Beavers:

We have received the application for amendment we recently sent you to be completed and returned. However, the \$20 filing fee was not enclosed.

On the original permit which was approved March 11, 1974, the point of diversion and place of use were put as being in the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 3, Twp. 5N, Rge. 11E, B.M. However, when our field examiner conducted the field exam, he found they were actually located in the SW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 3, Twp. 5N, Rge. 11E, B.M. Therefore, we must amend your permit to correspond with the findings of the field examiner in order that a water right license can be issued. This cannot be completed, however, until the \$20 filing fee is received. This fee must be received within 30 days, otherwise cancellation proceedings will begin.

If you have any questions, please contact us.
