Gentlemen:

A representative of this Department has made an examination of the works covered by your Permit No. 63-7372 and has found the following:

Quantity of water diverted: 0.10 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 0.10 cfs

The maximum quantity diverted shall not exceed 15 acre feet per year.

Beneficial use: Irrigation of $2\frac{1}{2}$ acres and domestic purposes within the NE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 1, Twp. 3N, Rge. 1E, B.M.

Point of diversion: NE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 1, Twp. 3N, Rge. 1E, B.M.

Priority date established: October 2, 1970

Our field examiner found that you are irrigating $2\frac{1}{2}$ acres, however, your permit does not list irrigation as a beneficial use. Therefore, we ask that you amend the permit to include irrigation before a water license is issued. Enclosed you will find a partially completed application for amendment for your use in this matter.

Please sign the amendment application and return it to this office with a \$10.00 filing fee within 10 days of the date of this letter in order that we may issue your water license as set forth above. If you do not concur with these findings or have any questions, please contact us within the 10-day period.

Gentlemen:

One of the conditions of approval of your water Permit No. 63-7372 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before January 1, 1973. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
