Dear Mr. Stroud:

One of the conditions of the approval of your permit 63-7043 was that proof of application of the water to beneficial use be submitted to this office on or before February 1, 19 69.

Enclosed is an affidavit form which must be used to submit this proof. You may also request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, ICA.

Either the proof or a request for extension must be received by this department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
