Gentlemen:

We are in receipt of your application to appropriate the public waters of the State of Idaho. However, before further action can be taken, we require additional information.

Under question 9 you have failed to indicate who owns the property at the point of diversion and who owns the property at the place of use. Also before your application will be acceptable, we must have statutory application fee of \$10.00.

Your prompt attention to these matters will be greatly appreciated.

Attention: Mr. Kennedy

Gentlemen:

We acknowledge receipt of your affidavit submitted as proof of beneficial use ~~on application~~ for permit 63-7018.

Before a license can be issued a field examination must be made by a representative from this department.

We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system. If someone other than you should be contacted by the examiner, please advise.

Very truly yours,

Donald W. McKelowney
Appropriation Examiner

DWM:KS

P.S. Please be advised that the number of your permit is 63-7018 and that the priority to be established is the date of first receipt. In this case, that date is August 16, 1967.

Gentlemen:

One of the conditions of the approval of your permit 63-7018 was that proof of application of the water to beneficial use be submitted to this office on or before November 1, 19 68.

Enclosed is an affidavit form which must be used to submit this proof. You may also request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, ICA.

Either the proof or a request for extension must be received by this department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
