Subject: Field Examination of Application for
Transfer of 63-5390

On 4/24/87 The Pfaltzgraff residence was visited to verify the information given in Claim No. 63-5390 and the Application for Transfer submitted for this claim.

The present point of diversion is a well located in the NWNE Sec. 33, T.3N, R.3E. (See attached map). Water from this well is used to irrigate approximately 10 acres. According to Mr. Pfaltzgraff, this well was drilled in 1970 to replace a previous groundwater source located in SEsw sec. 28, T.3N, R.3E that was used from 1960 to 1970 (This well is located about where the word "well" occurs on the attached topographic map).

The old pipeline that carried water from the old P.D. in sec. 28 is still present. Also, the area where this pipe crossed Highway 21 is evidenced by a pronounced crack crossing the asphalt to Mr. Pfaltzgraff's property.
