Dear Mr. Rasmussen:

We were reviewing your claim to a water right submitted for domestic purposes and have made some changes of which you should be aware.

A claim cannot be filed on a multiple domestic use from a spring without paying a filing fee of \$200.00 (see pink notice). If you wish to file for a single family domestic system, the fee will remain at \$30.00. The single family domestic includes a use for one home, up to ½ acre of irrigation and watering of some household stock. If your second domestic use needs to be filed on, then a claim to a water right can be filed on another single domestic use for another \$30.00 filing fee. This would bring your total fee to \$60.00 rather than one filing for \$200.00. Enclosed is an additional claim partially completed except for your signature and notary. We have changed the other claim to show one domestic and will continue with processing unless we hear from you.

If you have any questions concerning this matter, please do not hesitate to contact us.

Sincerely,

JAN GROVER
