Dear Mr. & Mrs. Rogers:

We have received your claim filed for the sub-water pond by the Boise River. However, prior to processing this claim, we must have more information.

We need to locate your legal description by quarter-quarter, section, township and range. Enclosed is a copy of the topographic map for your area. If you would designate where your pond lies on this map we can designate the correct quarter-quarter on item numbers 5 and 6 on your claim form.

One more item missing is the notary's seal on the back page. Since it is required that your signature be notarized and the seal is our only proof of the notary, it must be affixed before the claim is processed.

If you have any questions concerning this matter, please contact us..

Sincerely,

JAN GROVER
