Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

MEMO

To: File 63-5051

From: Jan Shurte

Date: 2/25/86

In the 1984 inventory follow-up of the vault it appears that 63-5051, City of Caldwell claim was not completed. There is no claim form at the state office and none at the regional level.

In checking the receipts we found a receipt for 5 claims that the City of Caldwell submitted at the same time. These 5 claims were given the numbers 63-5051, 5052, 5053, 5054 & 5055. It appears that Claim No. 63-5051 was advertised incorrectly for the point of diversion and sent back for re-advertising. The 2nd advertising was never returned and the claim appears to have disappeared at this time.

I phoned the City of Caldwell and they did have a copy of the claim that they had taken before it was sent in. They do not have a copy of the claim usually sent to the claimant after the claim has been processed. I had them send their copy to us and typed a new claim from their copy. We sent it to them and it was returned signed and notarized on February 17, 1986.

It is recommended that we now re-advertise the claim with the correct point of diversion and process as usual with no fee charge.

Dear Mr. Redmond:

Enclosed is a partially completed Claim to a Water Right for Claim No. 63-5051 which I discussed with you on the phone the other day.

For some reason unknown to us, the original paper copy of this Claim cannot be located. At that time, we were experiencing the rush of claims before the June 30, 1983 due date, and this Claim must have been placed in a wrong file.

In the meantime, if you would sign the Claim, have your signature notarized and return the Claim to us, we would appreciate it. The original fee will be applied to this claim form, so only the signed claim is needed.

If you have any question, please do not hesitate to contact us. Thank you for your cooperation in this matter.

Sincerely,
