Dear Mr. Morley:

The statement of your use of water from a slough submitted July 27, 1983, and signed by Carl Marshall does not constitute a valid recording of a water right. If you have a valid recording of a water right on record with this department, we will accept an affidavit from Mr. Marshall attesting to your use of the water to place with your file. However, in researching our records, I did not locate an existing water right on record in your name. Therefore, I am returning your statement of use.

If a previous owner had used the water and you feel a water right may have been filed, I will need the legal description of the lands in a 40-acre tract, section, township and range in order to conduct further research. The name of the previous owner would also be helpful.

Enclosed is our leaflet entitled "Keep Your Water" explaining the methods of filing and exceptions to filing a water right for use of public waters. Also enclosed are claim and application forms with instructions for filing. Should you qualify according to our leaflet and wish to file a Claim to a Water Right, the fee, effective July 1, 1983, through June 30, 1984, is \$100. An alternative is to file an Application for Permit with the fee relevant to the amount of water in cfs being used. The application, however, receives a priority date as of the date of receipt in this office.

If you have any questions or need further assistance, please do not hesitate to contact us.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Garrett".

RE: Claim No. 63-5048

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,
