Dear Mr. Knapp:

We acknowledge receipt of the Claim Recently submitted for the use of water from two groundwater wells.

However, since each well has a different priority date, two Claims must be filed. One would be for the 1913 priority well and one for the 1947 priority well.

We can keep this Claim for the 1913 priority well. However, before processing can begin we need to know which uses of the water are from the well (#1 well). We are enclosing a Claim to a Water Right which needs to be completed for the 1947 (#2) well. Please list only the uses that are from this well. Please complete and sign this Claim and return it to this office along with the \$30.00 filing fee.

We also need the information on the #1 well regarding the uses as mentioned above. When all of this information and the completed Claim form is submitted, we will begin the processing.

If you have any questions, please contact us.

Sincerely,

Jan Grover
