I receive agricultural water for my land from a diversion in the Rexsboro Canal, also known as Cape Gulch waterway, Filings # 63-4621, # 63-4622, # 63-4623, and # 63-4624.

We were short of water last week and I would protect the operation of a pump that has been placed in the waterway above my diversion point by a man named Del Christensen at 19501 Top Road, Caldwell, Idaho 83605, and his neighbors to the east, located south of Greenleaf in Canyon County.
