Dear Mr. & Mrs. Cawdery:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Sincerely,

L. GLEN SAXTON, P.E.

Dear Mr. Cawdery:

In reviewing your claim to a water right, I noted the well and place of use are shown as being in Township 4 South. This would put you in Owyhee County instead of Canyon County.

We are preparing another claim showing the Township as 4 North and if you agree that this is correct, sign it before a Notary Public and return it to us for processing.

If you have any questions, please contact this office.
