RE: Claim to a Water Right

Virginia Lenzi
Box 292
Boise, ID

Dear Ms. Lenzi:

In reviewing your claim to a water right, I note that the amount of water claimed has been changed from 0.04 to 0.36 c.f.s. Normally we would allow 0.04 c.f.s. on a new application for permit for domestic use. If you feel you have used 0.36 c.f.s. for domestic then your claim is correct.

You failed to show the date water was first used. This information would be necessary to establish your date of priority if the claim is ever used for that purpose.

We are returning your claim to you so you can answer question no. 4.

Sincerely,
