MEMORANDUM

TO: Claim File 63-4415 (Keith Ricks) DATE: April 6, 1977
FROM: L. Glen Saxton *LSH*

Mr. Keith Ricks visited the Western Regional office of the Department today and thru some research, we discovered that licensed right 63-2466 is appurtenant to the land he now owns. He stated he uses the original well and from the files it appears that license 63-2466 is better evidence than claim 63-4415 of the water right he owns and uses from this particular well.

At the time claim 63-4415 was filed, the existence of license 63-2466 was unknown to Mr. Ricks.
