RE: Claim to a Water Right No. 63-4308

Mr. Thomas E. Holdridge
Cayuse Lane, Route 1
Boise, ID 83702

Dear Mr. Holdridge:

Reference is made to our letters of February 9th and April 19, 1978. The claim which the Department presently has on file for your use of domestic water is defective in that the incorrect legal description is shown on that claim.

If in the future your right to the use of this water is ever challenged, I can only assume the claim that is presently on file with the Department of Water Resources would not be considered as good evidence since it contains errors in the description of the place in which the water is withdrawn and used. I feel it would be to your benefit to complete the amended claim form that was included with our February 9, 1978 letter and return the claim to the Department.

If you have any questions in this matter, please feel free to contact this office.

Yours truly,

David B. Shaw
