Gentlemen:

Since Armour and Company has filed an application in its own right signed by an official of the company, we are returning the above application and the filing fee. We have cancelled our receipt of the \$5.50 and if possible we would like to have the original receipt returned to this office.

As requested by Mr. O'Brien I have changed the point of diversion on the new application prior to its approval and no amendment will be necessary.

Hope this now has the matter corrected.
