Dear Mrs. McCoy:

With reference to the affidavit of beneficial use that was submitted on October 12, 1970 in connection with the above referenced permit, please be advised that it is unacceptable, as there is a discrepancy under item 4b of the affidavit.

You have listed the point of diversion as being in the NE $\frac{1}{4}$ NW $\frac{1}{4}$ (Lot 1), Sec. 19, T. 2 N, R. 10 E, B. M.; whereas, permit no. G-32560/63-3470 gives the point of diversion as being in Lot 3 of Sec. 19, T. 2 N, R. 10 E, B. M.

We are enclosing an application for amendment, which you may use if the point of diversion is indeed as you have listed. If it is merely an error, please advise, and we will make the necessary corrections.

If you have any questions, please contact us.

Very truly yours,

Dear Mr. McCoy:

One of the conditions of the approval of your Permit No. G-32560/63-3470 was that proof of application of the water to beneficial use be submitted to this office on or before October 14, 1970.

Enclosed is an affidavit form which must be used to submit proof of beneficial use. You may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended.

Either the proof affidavit or a request for extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Re: Permit No. G-32560/63-3470

George H. & Doris M. McCoy Estate
Rocky Bar Stage
Mountain Home, Idaho

Dear Mr. & Mrs. McCoy:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department; previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldredge
